PROJECT

China Household Finance Survey and Research Center

Chengdu, Sichuan

Quality Control Supervisor, North Region Quality Control Team

July 2023 - Aug 2023

- Data Quality Assurance:** Led a 15-member team to conduct quality control for a national-scale microeconomic survey (modeled after the U.S. Federal Reserve's SCF).
- Audit & Compliance:** Personally audited and validated over 800 household financial datasets (income, debt, expense), identifying logic errors and ensuring strict adherence to data integrity standards.
- Process Optimization:** Optimized the field sampling workflow for the Hubei region, which increased data collection efficiency and reduced error rates during the visitation phase.

INTERNSHIP EXPERIENCE

Huaxi Securities

Shanghai, China

Research Assistant in mechanical industry team

Dec 2024 - May 2025

- Market Intelligence:** Conducted equity research on China's A-share machinery sector (e.g., Humanoid Robots, Coal Chemical). Synthesized complex market trends from brokerage reports to identify key investment drivers for senior analysts.
- Data Analysis:** Leveraged Wind Financial Terminal (Chinese equivalent of Bloomberg) and academic databases to extract high-volume historical industry data and macroeconomic data, ensuring data accuracy for thematic research reports.
- Data Visualization:** Constructed advanced Excel models and dynamic charts to visualize stock price volatility and industry growth trends, directly supporting the team's investment theses with quantitative evidence.

Vanho Securities Co. Ltd.

Chengdu, Sichuan

DCM team intern, Investment Banking Department

July 2024 - Sep 2024

- Deal Execution & Valuation:** Facilitated the issuance of a Local Government Special Bond with a total valuation of \$145 Million USD (1.05B CNY). Conducted comprehensive feasibility analysis by projecting cash flows and assessing project cost structures.
- Financial Modeling:** Developed detailed financial evaluation models, including Pro Forma Income Statements and capital expenditure schedules, to determine the bond's repayment capability and pricing strategy.
- Due Diligence & Compliance:** Coordinated the due diligence process by liaising with external auditors and legal counsel. Ensured all financial documentation strictly adhered to regulatory disclosure standards required for government securities.

LEADERSHIP & ACTIVITIES

- Save the Children Inclusive Community (Volunteer):** Designed inclusive painting activities for children with and without disabilities, recruiting 10+ volunteer families and expanding community engagement.
- Student Liaison & TA:** Facilitated cross-cultural communication in an all-English environment for visiting Baruch College faculty, managing course logistics and resolving grading discrepancies for 80+ students.
- Student Union, Outreach Department School of Accounting, SWUFE (Director):** Managed a 15-member team, organized 4 academic and social events, and secured sponsorships to support major activities.
